

## Textile Product Worksheet

Textile products require additional information in order to properly classify them and obtain the Customs Release. When providing a description, the following information is required:

- Composition of fabric (ex. 100% cotton, 50% polyester & 50% acrylic, etc.)
- Is the fabric knit or woven?
- Type of clothing or item (ex. Pant, skirt, blouse, pillowcase, curtain, etc.)
- If a clothing item, is it Men's, Ladies, Girls, Boys or Infant?

Also required is the full name & address of the **MANUFACTURER** for each item.
